

ZIND-HUMBRECHT

Pinot Gris Clos Windsbuhl Monopole 2020

96 Points

This smells of the ripest melon you can imagine. Fresh herbal notes, including a touch of mint. Super-elegant and bright with a very sensual, silky texture on the generous palate. The stunning concentration masks the high acidity that drives the very long and chalky finish. With this much vitality it surely has enormous aging potential. From biodynamically grown grapes. Drink or hold.
