

LOUIS JADOT CÔTE D'OR BURGUNDIES

*Santenay Maladiere Prieur-Brunet Premier
Cru 2020*

94 Points

Beautiful sweet cherries at the front, then the tannins come through and make a serious statement on the generous palate for this appellation. But the winemaker really got this one down, so there's not a jot too much tannin. Lovely blood-orange acidity at the generous finish. From organically grown grapes. Drink or hold.
