

LOUIS JADOT CÔTE D'OR BURGUNDIES

Beaune Aux Cras Premier Cru 2020

94 Points

Deep blackberry and amarena-cherry nose, then a huge mouthful for a Beaune that really makes you sit up. However, the tannins have been expertly judged and the acidity is enough to lift the palate, the tannin structure making quite a statement at the bold and bright finish. From organically grown grapes. Drink or hold.
