

NORTON

Lote Negro 2020

92 Points

The 2020 Lote Negro is 60% Malbec and 40% Cabernet Franc from the Uco Valley and was aged for 12 months in barrels. A vivid purple in hue. The aromatic profile features dark fruit, blackberry and balsamic notes with a layer of herbs and ash. Broad and free-flowing with a medium body, the firm, young tannins structure the palate, leaving it a little rigid. It will improve in the bottle
