

SETTE PONTI

Oreno Toscana IGT 2019

95 Points

This slightly opaque and dark ruby colored red wine opens with a new leather and black raspberry bouquet with hints of wet granite, violets, and black cherry. On the palate, this wine is medium bodied with medium plus acidity. The mouthfeel is balanced, round, dense, and fresh. The flavor profile is cedar and graphite blend with notes of black cherry and blackberry. Hints of caper, milk chocolate, and orange rind. The finish is dry, and its dusty tannins stick around for quite some time. The Tasting Panel would pair this Italian red blend with steak Florentine or with Jiko's wild boar. Enjoy
