

# JEB DUNNUCK

## TAITTINGER

*Brut La Française*

# 90 Points

The current release of the NV Champagne Reserve Brut is from 2018, with the addition of 30% reserve wine from 35 different villages, and it sees 8 grams per liter dosage. The nose is fragrant with perfume of lemon custard, white peach, parmesan, and dusty chalk. The palate is ripe with white flowers on the finish along with lemon pith, and it is approachable and focused, with vibrant energy and tension. This is ready to drink now or over the next 10 years.
