*Comtes de Champagne Grands Crus Blanc  
de Blancs 2008*

# 98 Points

After a cool, rainy spring and unsettled flowering, the weather in 2008 cleared in time to deliver a large crop of ripe, balanced grapes with lovely balancing acidity. The Comtes from 2008 is a fantastic success, with aromas of ripe pear, peach, bergamot and chamomile. There is a luxe style to the rich, creamy texture with its gentle yet persistent mousse. The fresh acidity and a subtle, pleasant bitterness bring balance and impressive length to the wine.
