

SETTE PONTI

Oreno Toscana IGT 2020

95 Points

On the palate, this wine is medium bodied with plus acidity. The mouthfeel is well-balanced, super smooth and robust. The flavor profile is a complex blend of cedar, cinnamon, and black cherry with notes of black coffee and dried salami. We also picked up some hints of red currant, stony minerality, mocha, and black pepper. The finish is very dry, and its dusty young tannins stick around for a very long time.
