Comtes de Champagne Rosé 2009

97 Points

The 2009 Rose Comtes de Champagne is one of the very finest recent additions I can recall. The intensity of both the Pinot and the vintage comes through loud and clear in a vinous, resonant Comtes Rose that is engaging right out of the gate. Dark red berry fruit, spice, crushed flowers and blood orange are some of the many notes that meld together seamlessly. The 2009 is a truly special Champagne, but it is also very much on the exuberant side of things. All that said, I absolutely loved it.
