

MICHELE CHIARLO

Cerequio Barolo Riserva DOCG 2016

91 Points

The 2016 Barolo Riserva Cerequio will be released in spring 2023. It is already a mature wine. Dried cherry, leather, cedar, mint, tobacco and worn-in leather are all signs of a Barolo that is close to peaking. The Riserva emerges from Chiarlo's oldest vines, planted in 1971. It sees a slightly longer period of time on the skins and three full years in oak
