

NOZZOLE

Chianti Classico Riserva DOCG 2019

90 Points

Representing a big production of 280,000 bottles, the Tenuta di Nozzole 2019 Chianti Classico Riserva Nozzole hits the mark. The wine's attractiveness is enhanced by its value price tag as well as its genuine aromas of dark fruit, earth and lavender bud. It reveals a mid-weight texture and plenty of nice freshness. Sure, the flavor profile is pretty standard for the appellation, but it's a sure bet with grilled meat or pasta.
