

SAN GUIDO

Guidalberto Toscana IGT 2021

94 Points

A classic blend of Cabernet Sauvignon and Merlot, the Tenuta San Guido 2021 Guidalberto shows tart cherry fruit with darker tones of blackberry and plum. This vintage delivers especially chiseled and focused fruit characteristics that are elegantly framed by light spice, cola and earth. This vintage shows a heightened sense of intensity and territorial identity that is the hallmark of this storied estate.
