

# Decanter

**MICHELE CHIARLO**

*Faset Barbaresco DOCG 2020*

## 93 Points

Wild flowers and red summer berries on the nose, smells expressive and lively, open and appealing. Bright and shining in the glass, clear and clean, this is direct and sleek with a scintillating acidity that stays the right side of being too sharp. Tannins come in pretty quickly and just shut down the fruit persistence at this point but they're well integrated with a juicy, sapidity as well as firmness that gives the overall life, structured and frame. Cheerful and characterful with a really gorgeous freshly-picked strawberry acidity and lovely lick of wet stone, graphite salinity that gives the chalky, tongue scraping feeling towards the end. I like this a lot.
