ZIND-HUMBRECHT

Pinot Gris Clos Jebsal 2021

94 Points

The vines were planted in 1983. The nose has a flicker of reduction, followed by an aromatic notion of pear, freshly turned earth and orange peel. The palate has concentration and flow, a russet pear texture and a salty, cool, mouth-watering core. The saltiness is more intense than the fruit. The beautiful, bone-dry finish is very appetizing.
