Riesling Roche Calcaire 2020

91 Points

From vineyards around Guebenschwihr and a small portion of young vines from the Hengst, the 2020 Riesling Roche Calcaire offers a clear, fresh and stony, lemony bouquet of crushed limestones and even flint stones. Full-bodied, pure and tensioned on the palate, this is a limestone-driven, silky-textured, elegant and refreshing Riesling with fine tannins and a finish that is pretty intense, finely bitter and quite long. This is an excellent wine for its price range.
