Oreno Toscana IGT 2021

95 Points

The 2021 Oreno is terrific. In fact, the 2021 is one of the best Orenos I can remember tasting. Aromatic, rich and deep, with tons of textural resonance, the 2021 has so much to offer. Scents of tobacco, espresso, spice, new leather and spice open first, leading to waves of dark, resonant fruit that build over time. Impressive. This is an especially heady, flamboyant Tuscan red. It's a style that works quite well in 2021.
