

## MICHELE CHIARLO

*Asili Barbaresco DOCG 2020*

# 93 Points

From one of the appellation's best-known growing sites, the Michele Chiarlo 2020 Barbaresco Asili offers more savory spice and depth next to the Barbaresco Faset. There is a touch more power and muscle in this expression, and these two wines complement each other nicely, with the Faset showing more primary fruit and the Asili showing more texture.
