JEB DUNNUCK

TAITTINGER

Prestige Rosé

92 Points

The NV Champagne Prestige Brut Rosé is 30% Chardonnay, about 20% Meunier, and the rest Pinot Noir, with 12-15% still red wine added from Pinot Noir and the base vintage from 2018. It pours a deep pink color and offers aromas of ripe red cherry, fresh flowers, and blood orange. Full-bodied and juicy all the way through, it is ripe with loads of wild berry fruit and has a long and slightly warming finish. It would be suitable as a wine to end the night or as a juicy aperitif. Drink 2024-2034. 9 grams per liter dosage.
