CHÂTEAU LA NERTHE

*Clos Beauvenir Chateauneuf du Pape Blanc
2022*

96 Points

The smaller production 2022 Châteauneuf Du Pape Clos De Beauvenir Blanc comes from a vineyard just beside the domaine and is based on 56% Roussanne and 44% Grenache Blanc. Its medium gold hue is followed by a brilliant perfume of orange blossoms, honeyed white flowers, orchard fruits, and spicy wood that gains depth as well as freshness with time in the glass. Beautifully concentrated, medium to full-bodied, and broad and expansive on the palate, it's another riveting wine from this team that's geared for the dinner table. While I would drink bottles over the coming 4-5 years, it will have an interesting evolution past that as well.
