

# JEB DUNNUCK

## SAN GUIDO

# 94 Points

Displaying a deep, nearly opaque purple color, the 2021 Guidalberto is fleshy, seductive, and impressively aromatic at this youthful stage, with a floral perfume of crushed violets, boysenberry, and graphite. Composed of 55% Cabernet Sauvignon, 18% Cabernet Franc, and the rest Merlot, it's one of the most expressive releases of this wine I've tasted. Full-bodied, with a bright lift of acidity, it has ripe, tight-grained tannins and a well-coiled structure. As it opens in the glass, it starts to reveal more earth notes with turned soil. It's a shame to open this wine early, as it offers very impressive structure and will really start to show at its best 2-3 years after its release. The 21st release of this cuvée (the first vintage was in 2000), 2021 was a fantastic vintage for the region and this wine.
