

Decanter

MONTES

Muse Cabernet Sauvignon 2020

96 Points

Full and fleshy, gorgeous intensity and power straight away with the most juicy, plush tannins that fill the mouth creating a bounce and chew that is delicious yet this also keeps focus and push from start to finish. Feels well made, sophisticated and full of flavour. I love the texture, tannins are just excellently integrated and the acidity makes this so appealing to drink now but will also enable it to age well. Sumptuous, stylish and sassy.
