WINE ENTHUSIAST MAGAZINE

THE SIMPLE GRAPE

Pinot Grigio 2022

90 Points

This wine is superfresh, ripe citrus, dried herbs, white pepper, gliding into zesty pink grapefruit, dried cumin, and fennel seed. The finish is long, strong with cracked black pepper. One of the movements in wine is “less is more.” This one does not disappoint. It is offering low-alcohol, low carbs, sustainable production and a charity component. Pair with fish tacos, seafood and lighter fare.
