

MONTES

Purple Angel 2021

97 Points

Terrific aromas of black fruit and blackcurrants with dried spices such as thyme, rosemary and oregano. Notes of dried figs, tomato leaves and blackberry leaves. Medium-bodied with very fine tannins that are polished and so attractive. Refined and caressing in the finish. Structured tannins at the end. Very drinkable and enjoyable now.

James Suckling - May 13, 2024
