

ZIND-HUMBRECHT

Riesling Clos Windsbuhl 2022

96 Points

The 2022 Riesling Clos Windsbuhl is a “bucolic” site, Humbrecht says, surrounded by forest and fields at altitude. It is on rocky Triassic limestone. The wine is slightly flinty and nutty on the nose. The palate is stony, too, taut and bright but flowing like clear spring water, cooling, with ever more citrus coming to the fore. Lemon zestiness and lovely brightness make this mouth-puckeringly tangy and deliciously thrilling.
