

SETTE PONTI

Oreno Toscana IGT 2022

99 Points

There's a purity and beauty to this that impresses you the minute you put your nose in the glass. So aromatic. Flowers, graphite, blackcurrants and hints of gunmetal.

Medium- to full-bodied with tannins that coat your mouth but give a feeling of fine cashmere. The length and intensity is calm but rather endless. 45% merlot, 40% cabernet sauvignon, 10% cabernet franc and 5% petite verdot. From organically grown grapes. Best after 2028.

James Suckling - June 25, 2024
