

SAN GUIDO

Sassicaia Bolgheri Sassicaia DOC 2021

98 Points

Comforting and luxurious, if restrained at first, on the nose, like hot coffee with a slice of warm berry tart, then suddenly more serious, with aromas of leather-bound books and crisp fall air. The palate is utterly laden with berries but also vibrating with acid, and tannins feel like a silk textile, strong and supple, tightly stitched and flowing through an endless finish.
