It leads with a distinctly spice-driven bouquet of incense, cracked pepper and dried herbs. The palate is silky, racy and elegant before concluding with a powerful, rich and creamy finish. This is a lovely and exotic counterpoint to the Terroir Selection Malbec bottling from Mendoza.

## 91 Points

*Wine Advocate*

---

Combining fruit from Luján de Cuyo and Uco Valley, the 2022 Terroir Selection Malbec introduces itself with a soft, dark-toned bouquet of black plums, mocha, graphite and a creamy undertone. The palate echoes this with a rich, velvety texture and closes with a decadent, slow-moving finish.

The 2020 Terroir Selection Malbec blends grapes from their vineyards in different subzones of Mendoza. It fermented in small concrete vats and matured in French oak barrels for 12 months. It's ripe and balanced with 14.5% alcohol and has very good grip, polished tannins and ripe primary flavors with the oak neatly integrated.

This shows aromas of bramble berries, chocolate and subtle violets. The palate is full-bodied, well sculpted and vibrant, with fine-grained tannins. This a blend from four single vineyards in Valle de Uco and Lujan de Cuyo.

A ripe and flavorful malbec with layers of dark cherries, nutmeg and poached plums. It's full-bodied, silky and delicious, with excellent depth of dark fruit.

*– James Suckling*
