Jolly Rancher pink in color, this joyful rosato pops out of the bottle with aromas of cherry, cranberry and wild herbs. The dry palate is well-structured with tart red fruits and a texture showing a touch of tannins. A rosato for those looking for more substance.

Pretty rose tones, ripe apples and a hint of candied citrus lift up from the 2020 Pinot Nero Rose. This is soft in texture, with a stimulating mix of citrus and zesty acidity that builds cheek-puckering tension toward the close. It seems to sizzle through the mouthwatering finale, as lemon zest and nectarine linger long.
