The 2023 Chablis Les Clos Grand Cru has an attractive nose of orchard fruit, hints of honeysuckle, beeswax and an underlying mineralité that will require time to come through. The palate is fresh and crisp thanks to a silver bead of acidity. It's vibrant with a pretty, peachy finish that maintains tension and frisson. The 2023 is worth seeking out.

The 2020 Chablis Les Clos Grand Cru has a struck match reduction on the nose - though it is not too strong and should be subsumed with bottled age. The palate is well balanced with a tangy marmalade-tinged entry, fine depth with some well-integrated oak towards the finish. There is a sense of harmony and focus here that is very convincing. Give it two or three years in bottle.

Vague whiffs of oak, iodine and mineral reduction add breadth to the mildly exotic white and yellow orchard fruit aromas. There is fine volume and mid-palate density to the rich, powerful and muscular larger-scaled flavors that exude evident minerality on the perceptibly warm though refreshingly dry finale.
