

MONTES
Alpha Merlot 2022

92 Points

VinousMedia.com

The 2022 Merlot Montes Alpha comes from Marchigüe, Colchagua and was aged for 12 months in French barrels, one-third of which were new. Garnet in hue, this offers intense aromas of blackberry and cassis with a hint of pepper and dried flowers over subtle oak. The palate is dry, broad and structured, with a clean flow and dark fruit-driven finish. Expressive and balanced, this is a refined Merlot with elegance and identity. Well done for the place and the year.

A fruity merlot with some sweet cherries, plums, spices and fine herbs. Medium-bodied on the palate with firm tannins and plenty of fruit in the finish. Generous, round and soft. Easy to appreciate. Merlot mostly coming from Marchigüe.

– James Suckling

Plush and fruity with rich black cherries, redcurrants and dark chocolate. A pleasant, medium-bodied merlot with silky, pastry-like tannins on the palate, together with black cherries and black olives. Quite resolved, with fluffy, plummy fruit and a long, delicate finish, showing immediate drinkability. A textbook merlot, mostly from Marchigüe with around 10% cabernet sauvignon in the blend.
