*Poggio Doria Brunello di Montalcino DOCG 2020*

### 94 Points

The Tenute Silvio Nardi 2020 Brunello di Montalcino Vigneto Poggio Doria (with just 3,500 bottles made) is a very different wine compared to the village expression from this same vintage. Whereas that wine showed more dry fruit aromas, this wine has a sweeter side with plump richness and soft tannins. It also carries more fruit weight and overall textural richness. Between the two, I recommend this one.
