Pouilly-Fuissé Tête de Cru Les Perrières 2023

### 92 Points

The 2023 Pouilly-Fuissé Les Perrières 1er Cru comes from marl soils higher up the slope than the Clos des Prouges with a lot of strong detritus. There is a very subtle reduction at play, quite tensile with a discrete marine influence. The palate is taut and fresh, quite edgy and stricter than the Clos de Jeanne, verging on shrill and citric towards the finish. Therefore, I would afford this a couple of years in bottle.
