BURGUNDIES***Pouilly-Fuissé Premier Cru 2022***92 Points**

A vibrant nose bursts with apple skins, tangerine, grapefruit pith, acacia, chamomile, and wet river rock. Racy acidity brings focus to a pulverized stone midpalate and a lingering finish of bright Meyer lemon and subtle clay-river rock minerality. Delightful on its own now, it's also an excellent match for sushi and other raw fish dishes.
