BISERNO

Il Pino di Biserno 2024

91 Points

Fragrant and softly herbal blackcurrant notes on the nose. A little cloying and a touch chewy on the palate, this is ripe and concentrated – it's full of flesh and life with round tannins and concentrated dark berry fruit. It's confident and there's a lot here but it's a touch exuberant right now. Still, it has good length and quite a confident overall profile. Petit Verdot also in the blend.
