### **Decanter** Montes

Folly 2019

#### **95 Points**

Montes Folly is one of Chile's benchmark wines, and sets the bar for Syrah from Apalta which has now become the region's calling card. Opens with a seductive nose of exotic spice, fresh black pepper and a dense core of black fruit and smoked meat, and leads through to a rich wine with an almost chocolate-like silkiness and density. A wine for hedonists.
