LOUIS JADOT CÔTE D'OR BURGUNDIES

Meursault 2021

93 Points

Crisp, refreshing, and linear, this has a beautiful gooseberry and quince fruit character with hints of a flinty minerality. It is perhaps less rich than the white from Beaune Grèves. There is a nice tension on the palate, but with time there is a rich, almost fat impression as the wine opens up. From a one-hectare parcel that Jadot owns at the same elevation as Meursault Perrières.
