

INFAMOUS GOOSE

Sauvignon Blanc 2021

89 Points

This pale straw-colored Sauvignon Blanc from New Zealand is classically styled. It opens with a fragrant yellow grapefruit and gooseberry bouquet. On the palate this wine is light plus bodied with plus acidity. The mouthfeel is bright and lively. The flavor profile is a tangy yellow grapefruit and chalky minerality with notes of nectarine pit and lime zest. I also detected some hints of ginger and a dash white pepper. The finish is quite refreshing.
