

INFAMOUS GOOSE

Sauvignon Blanc 2022

89 Points

This clear straw-colored Sauvignon Blanc opens with very fragrant ripe pink grapefruit bouquet with hints of mango and peach. On the palate, this wine is light plus bodied with plus acidity. The mouthfeel is round, bracing, and bright. The flavor profile is grapefruit pith, and saline blend with notes of tangy white peach, gooseberry, and white tea. We also got a hint of sugar on top. The finish is mouthwatering and refreshing. The Tasting Panel would pair this very good value Sauvignon Blanc with swordfish kabobs or with fish and chips. Enjoy
