

RÉSONANCE

Willamette Valley Chardonnay 2021

94 Points

Still in barrel, the 2021 Chardonnay Willamette Valley is the first iteration of this wine from Résonance, made from both estate and purchased fruit. The nose opens with streaks of matchstick and crushed almonds that give way to a deep core of yellow apple, jasmine and touches of cream and butter. The medium-bodied palate is satiny and expansive with savory layers energized by focused acidity, and it has a long, textural finish with alluring floral perfume.
