

MONTES

Muse Cabernet Sauvignon 2020

96 Points

Intense aromas of blackcurrants, brambleberries, blueberries, lead pencil, ink and cloves. Medium- to full-bodied with extremely polished tannins that coat the mouth and give no indication of wood. The purity is really impressive in this wine. Plenty of fruit at the end with tannin tension. Second year made. Pure cabernet sauvignon from the Maipo Valley

James Suckling - October 30, 2023
