Brunello di Montalcino 2019

90 Points

The 2019 Brunello di Montalcino is dark in color and style, with a bouquet of dried berries and florals complicated by orange zest and a dusting of cocoa. It sweeps across the palate with racy acidity and sleek textures that usher in spicy cherry-berry fruits. The 2019 finishes with a mentholated freshness, edgy tannins and medium length, leaving a slightly bitter tinge to linger.
