

**MONTES**

*Wings Carmenère 2020*

# 94 Points

This is really spicy and peppery, with cloves and nutmeg, as well as rose stems, dried herbs and currants. It's full-bodied but polished and agile and shows a delicious finish. Fruity and flavorful, but accessible already. Better in a couple of years, but we like it now, too. New wine from Montes.

**James Suckli** - January 31, 2024
