GET IN THE SPIRIT!
WINE, LIQUOR GIFTS FOR FATHER'S DAY

TAYLOR FLADGATE SCION

Once in a lifetime you have a chance to taste history. I was lucky enough recently to do just that, and so can you. Scion is a tawny Port dating to 1855. Stored for 15 decades in cask, this intensely concentrated wine has a magical mélange of aromas ranging from caramel and toffee to apricot and candied ginger. It's liquid gold for the dad who has everything.
