LOUIS JADOT CÔTE D'OR BURGUNDIES

Chambolle Musigny Les Sentiers 2016

90-92 POINTS

Strong wood/menthol influence all but overshadows the underlying plum, spice and discreet anise wisps. As would be reasonably expected there is more size, weight and power to the solidly concentrated medium weight plus flavors that display fine length on the robust and muscular finish. This is very Sentiers.
