CROFT

Quinta da Roêda Serikos 2017

96 POINTS

This midnight purple colored Port from Croft is Excellent! It opens with a green tea and pipe tobacco bouquet with hints of licorice and cherry. On the palate, this wine is full bodied, soft, creamy and rich. The flavor profile is a very tasty nutty blend of walnut and pecan with notes of rum cake and fig. The finish is rather dry and its monster tannins build-up and stick around for a while.
