

## ZIND-HUMBRECHT

*Gewürztraminer Clos Windsbuhl*

*Monopole 2018*

# 96 POINTS

Rich, powerful and frankly sweet, but somehow cool with delicate exotic-fruit character (not just lychee), this is a highly structured gewurz that will need some years of bottle age to reveal its ample treasures. I love the way the smokiness builds at the very long, succulent finish. From biodynamically grown grapes.
