

## ZIND-HUMBRECHT

*Riesling Roche Roulée 2018*

# 92 POINTS

Here's the answer to anyone who thinks that dry riesling is always too lean and tart. It would be hard not to like the full fruit-salad aromas of this generous, ripe wine that also has some subtle bergamot and floral notes. Lively, without being tart, the finish is long and juicy. From biodynamically grown grapes.
