

TAYLOR FLADGATE

Classic Vintage Porto 2018

95 POINTS

The 2018 Vintage Port is a field blend aged for approximately 18 months in very old and large wooden vats. It comes in with 100 grams of residual sugar. This is the third straight declaration (2016, 2017 and this 2018) of a classic Vintage Port for Taylor's. Aromatic and expressive, this adds a big bang for a finish that reminds you that it is, indeed, Taylor's. After opening it on the first day tasted, it tightened fast and showed the structure I like to see in serious Ports. It has that classic flavor profile as well and shows fine concentration.
