Concerto Reggiano Lambrusco DOC 2019

91 POINTS

Publisher's Pick

Not only is this the world's first vintage Lambrusco, but Concerto is also the first single-vineyard expression of the dry sparkling red. Fresh from the start, the almost chalky entry is packed with dark fruit as well as bright pomegranate and strawberry. A hint of white pepper shows itself, and the harmonious balance of acid and tannins makes the wine's name well deserved. Concerto has been honored with the Gambero Rosso Tre Bicchieri award for over a decade.
