LOUIS JADOT CÔTE D'OR BURGUNDIES

*Chassagne-Montrachet Grandes Ruchottes
Premier Cru 2019*

91-94 POINTS

Once again the expressive nose displays plenty of pretty floral elements on the spicy aromas of white orchard compote and discreet citrus peel scents. Like all of these Chassagne-based offerings, there is excellent volume to the round and caressing but decidedly powerful flavors that flash almost painful intensity on the strikingly long and well-balanced finale. This is potentially outstanding.
